NOW, THEREFORE, BE IT RESOLVED BY THE COUNCIL OF THE CITY OF GLENDALE AS FOLLOWS:

SECTION 1. That for the purpose of providing funds for water and sewer improvements in the City and to acquire rights-of-way for that purpose and to pay all necessary legal, financial, architectural, engineering and contingent costs in connection therewith, the City hereby authorizes the execution and delivery of the Subordinate Lien Water and Sewer Revenue Obligations, Series 2010, which may be in one or more series, by the Trustee, in the aggregate principal amount of not to exceed \$29,000,000.

SECTION 2. The 2010 Obligations are to be executed and delivered (i) as junior and subordinate bonds under the provisions of the Master Ordinance and (ii) as parity obligations under the Subordinate Ordinance. All words and phrases not defined herein which are defined in the Trust Agreement shall have the meanings given them in the Trust Agreement Supplement.

SECTION 3. The 2010 Obligations shall be executed and delivered as fully registered obligations registered as to both principal and interest, in the denominations of \$5,000 or any integral multiple thereof. The Obligations shall be dated as determined by the Finance Director of the City, shall bear interest from such date payable on January 1 and July 1 of each year (the "Interest Payment Dates"), commencing July 1, 2011 until the principal amount has been paid or provided for. The 2010 Obligations shall bear interest from the most recent date to which interest has been paid or provided for or, if no interest has been paid or provided for, from their dated date. Interest on the Bonds will be computed on the basis of a 360-day year of twelve 30-day months.

The provisions for the signatures, authentication, payment, registration, transfer, exchange, redemption and number shall be as set forth in the Trust Agreement.

SECTION 4. The Finance Director is authorized and directed to determine the most advantageous manner of selling the 2010 Obligations, whether by competitive or negotiated sale. In the event the Finance Director determines it is most advantageous to sell the 2010 Obligations by negotiated sale, the Finance Director is authorized to select the Purchaser of the 2010 Obligations and to execute an Obligation Purchase Contract (the "Purchase Contract").

SECTION 5. The Finance Director is authorized and directed to determine and approve the interest rates (which shall not exceed a net interest cost of 8%), dated dates, interest payment dates, maturity dates (which shall not exceed 35 years), maturity amounts, purchase price, redemption provisions, underwriter's discount bid (which shall not exceed 2.5% of the par amount of the 2010 Obligations) and any provisions necessary in connection with the purchase of credit enhancement pursuant to Section 7 hereof, and cause the same to be set forth in the documents. The 2010 Bonds may be issued as tax-exempt bonds or as taxable bonds, as a Build America Bond, or a combination thereof, as determined by the Finance Director. If the 2010 Obligations are issued as a Build America Bond, the Mayor and Council of the City hereby elect to apply the Build America Bond provisions under Section 54AA of the Internal Revenue Code.

SECTION 6. The form, terms and provisions of the Purchase Agreement, the Trust Agreement, the Obligation Purchase Contract and the Continuing Disclosure Certificate, in substantially the form of such documents (including the 2010 Obligations and other exhibits thereto) presented at this meeting are hereby approved, with such final provisions, insertions, deletions and changes as shall be approved by the Finance Director, the execution of each such document being conclusive evidence of such approval, and the Mayor, the City Manager or the Finance Director are hereby authorized and directed to execute and deliver, where applicable, or approve the Purchase Agreement, the Trust Agreement, the Obligation Purchase Contract and the Continuing Disclosure Certificate and to take all action to carry out and comply with the terms of such documents.

SECTION 7. The City may purchase a Reserve Account Surety Bond (the "Series 2010 Surety Bond") to satisfy the Reserve Account requirements of Section 5.10 of the Trust Agreement.

In lieu of, or in addition to, the Series 2010 Surety Bond, the Mayor, the City Manager and the Finance Director are hereby authorized and directed to purchase such other municipal bond insurance, surety bonds or other credit enhancement as may be deemed appropriate and beneficial, to pay or cause to be paid all premiums attendant thereto and to enter into any obligations or agreements on behalf of the City to repay amounts paid thereon by the providers thereof.

SECTION 8. The form, terms and provisions of the Preliminary Official Statement in substantially the form (including exhibits thereto) presented at this meeting are hereby ratified, approved and confirmed. The City hereby approves, ratifies and authorizes the use by the Purchaser of copies of the Preliminary Official Statement and the final Official Statement, which shall be in substantially the form of the Preliminary Official Statement with such changes as are necessary as a result of the sale of the 2010 Obligations (the "Official Statement") in connection with the public offering and sale of the 2010 Obligations. The City hereby deems the Preliminary Official Statement as final as of its date for purposes of Rule 15c2-12 of the

Securities Exchange Commission. The City Manager is hereby authorized and directed to execute, when completed, the Official Statement.

SECTION 9. The City hereby requests the Trustee to take any and all action necessary in connection with the execution and delivery of the Purchase Agreement, the Trust Agreement, the Obligation Purchase Contract and the Continuing Disclosure Certificate, and the execution, delivery and sale of the 2010 Obligations and further authorizes and directs the Trustee and any trustees for any obligations on a parity with the Obligations to enter into such agreements as may be reasonable for the administration of the trusts so held.

SECTION 10. Pursuant to the Purchase Agreement and the Trust Agreement, the City shall pledge its Net Revenues to the amounts to come due under the Purchase Agreement and the Trust Agreement. The City's obligation to make the payments under the Purchase Agreement or the Trust Agreement does not constitute an obligation of the City or the State of Arizona, or any of its political subdivisions, for which the City or the State of Arizona, or any of its political subdivisions, is obligated to levy or pledge any form of taxation nor does the obligation to make any payments under the Purchase Agreement or the Trust Agreement constitute an indebtedness of the City or of the State of Arizona or any of its political subdivisions within the meaning of the Constitution of the State of Arizona or otherwise. The pledge of the Net Revenues is on a junior and subordinate basis with the existing pledges of the Net Revenues as described in the Trust Agreement and the Purchase Agreement.

SECTION 11. Pursuant to the Purchase Agreement, the City will covenant and agree that the amount of Net Revenues which it presently levies and collects will continue to be levied and collected in each fiscal year so as to satisfy the rate covenant of the City set forth in Section 6 of the Purchase Agreement.

SECTION 12. After any of the 2010 Obligations are delivered by the Trustee to the Purchaser thereof, upon receipt of payment therefor, this ordinance shall be and remain irrevocable until the 2010 Obligations and the interest and premium, if any, thereon shall have been fully paid, cancelled and discharged.

SECTION 13. The Mayor, the City Manager, the City Attorney, the Finance Director, and the City Clerk and the other officers of the City, on behalf of the City, are each hereby authorized and directed, without further order of the Council of the City, to execute and deliver such certificates, proceedings and agreements as may be necessary or convenient to be executed and delivered on behalf of the City, to evidence compliance with, or further the purposes of, all the terms and conditions of this ordinance and the consummation of the transactions contemplated by the Preliminary Official Statement.

SECTION 14. All actions of the officers and agents of the City which conform to the purposes and intent of this ordinance and which further the issuance and sale of the Obligations as contemplated by this ordinance whether heretofore or hereafter taken are hereby ratified, confirmed and approved. The proper officers and agents of the City are hereby authorized and directed to do all such acts and things and to execute and deliver all such documents on behalf of the City as may be necessary to carry out the terms and intent of this ordinance.

SECTION 15. If any section, paragraph, clause or phrase of this ordinance shall for any reason be held to be invalid or unenforceable, the invalidity or unenforceability of such section, paragraph, clause or phrase shall not affect any of the remaining provisions of this ordinance.

SECTION 16. The Council of the City finds and determines that all formal actions of this Council concerning and relating to the passage of this Ordinance were taken in an open meeting of this Council and that all deliberations of this Council and of any committees that resulted in those formal actions were in meetings open to the public, in compliance with all legal requirements.

SECTION 17. The immediate operation of the provisions of this Ordinance is necessary for the preservation of the public peace, health and safety of the City of Glendale and for the further reason that the improvements to be financed with the proceeds of the 2010 Obligations are urgently needed to enhance the health and safety of the inhabitants of the City of Glendale and that the City of Glendale desires to achieve favorable interest rates; therefore, an emergency is hereby declared to exist and this Ordinance is enacted as an emergency measure and shall be in full force and effect from and after the passage and adoption by the Council of the City, as required by law, and it is hereby exempt from the referendum provisions of the Constitution and laws of the State of Arizona.
